▼ Meta tags

Description:

Enter a description for this page. Limit your description to about 20 words, with a maximum of 255 characters. It should not contain any HTML tags or other formatting.

Robots meta tag:

Use default setting

The ROBOTS meta tag offers a simple mechanism to indicate to web robots and crawlers whether the page should be indexed (INDEX or NOINDEX) and whether links on the page should be followed (FOLLOW or NOFOLLOW). The default setting is ALL=INDEX,FOLLOW.
