Welcome to your new Drupal website!

Please follow these steps to set up and start using your website:

1. **Configure your website**

Once logged in, visit the [administration section](#), where you can [customize and configure](#) all aspects of your website.

2. Enable additional functionality

Next, visit the [module list](#) and enable features which suit your specific needs. You can find additional modules in the [Drupal modules download section](#) .

3. Customize your website design

To change the "look and feel" of your website, visit the [themes section](#). You may choose from one of the included themes or download additional themes from the [Drupal themes download section](#) .

4. Start posting content

Finally, you can [create content](#) for your website. This message will disappear once you have promoted a post to the front page.

For more information, please refer to the [help section](#), or the [online Drupal handbooks](#) . You may also post at the [Drupal forum](#) , or view the wide range of [other support options](#) available.
