

This is to demonstrate some inconsistencies in the Admin functionality.
Highlighted in red are actions and functionality that are possibly misplaced.

Help

For more information, please refer to the specific topics listed in the next section, or the [online Drupal handbooks](#). You may also post at the [Drupal forum](#), or view the wide range of [other support options](#) available.

Content

View a list of all your site's content
[Add new content](#) for your website.
